Dear Mom & Dad,

Enclosed is the coupon for your trip. It is good for any domestic flight but I hope you will use it for a trip back here! The coupon will need to be exchanged for a ticket by either the airlines or a travel agent. I will make a reservation for you once the date has been decided upon. Our condo is now on the multiple listing service for rental, but it may take a while since it is rather expensive (although not more so than comparable units). Thus we will wait on looking for a place to live in Baltimore until the condo is rented. I hope it will be soon.

I'm considering renting a small apartment near Martin Marietta to stay in Monday through Thursday. I can make the drive all right, but I feel I am wasting a lot of time. Also, things will be getting quite busy at work and with the possibility of bad weather it would be nice not to have to drive every day.

We enjoyed your letter and Mary's also. Please thank her for sending me the Wagner biography as I certainly want to read it before this summer. Everything is fine with us and we are looking forward to seeing you soon.

Love,

Jim & Vickie
